

Team Project:

TEAM stands for Together Everyone Achieves More. This is a project for new intake international students from Stenden Leeuwarden. We are providing support to the new international students in terms of financial management, housing and study advise. Furthermore the focus will be on integrating into the Dutch society.

This new project started on 10th of March with a welcome event in Auditorium room in Stenden Leeuwarden. Another welcome event was held on 18th of March in room 151 in Stenden Leeuwarden. There were 86 international students in total participating in the welcome event. A housing and study advisor workshop is going to be held in April.

WEG

WEG stands for Water, Electricity and Gas. 'WEG' in Dutch means 'away'. This is an environmental friendly project. We provide tips or tricks for saving energy to the local community. In this way, we are heading towards a more sustainable world and participants will spread the tips and tricks which they think are handy and useful to others to increase maximum impact.

Corporate Seminar

30th of March: Guest Lecture on leadership by Director ING Bank

Olaf ten Thij, Regional Director of the North-east district at the Dutch ING Bank, will give a guest lecture at Stenden Leeuwarden about leadership on Wednesday 30th of March.

The lecture takes place in the Auditorium, at 17.30 hours.

Leaders of the future

Olaf Ten Thij will tell more about the organization of ING and the position of various leaders within the organization. Furthermore, he will talk about ING's 'theoretical framework' and vision on the leaders of the future, including the speaker's personal vision and examples on this subject.

ICT project Newspaper

The last couple of weeks we booked progress on our ICT project, Improving Cameroon Technology. Our PR manager had meetings with DHL and at the Deltion College. DHL will probably sponsor SIFE by transporting the computers from the Deltion College to Rotterdam, where the computers will be shipped to Cameroon.

JOB project

Last week our PR manager had contact with the Marwei Prison, the Gemeente Leeuwarden and Randstad about our JOB project, Job Opportunities Basics. The Marwei prison told us that they were very enthusiastic about our plans and that they are looking forward to start the project. Randstad and the Gemeente Leeuwarden also mentioned to be interested to work together with SIFE on the project and to support when needed.

Dag voor Maatschappelijke Betrokkenheid in Leeuwarden

On Tuesday 29th of March there will be a Day of Corporate Responsibility in Leeuwarden. Stenden SIFE send in a document about our JOB project. SIFE is selected out of ten other ideas to present the JOB project to a team full of experts on the field of Corporate Responsibility.

Film Night

As one of the Stenden SIFE fundraising events a Film Night was held on 23th of March in the silence center. The movie 'Gulliver's Travels' was showed in the event. During the movie, popcorns and cola were served by Stenden-SIFE. The purpose of this event is to help SIFE generate funds for the ICT project. It is glad to see that many students and SIFE members came for the event and showed great care to the Cameroon kids. This event can be said as a great promotion for the Stenden-SIFE and ICT Project. After the movie, many students showed interested in the SIFE as well as help the Cameroon.
